Psalm 19

The heavens declare the glory of God;
the skies proclaim the work of His hands.
Day after day they pour forth speech;
night after night they reveal knowledge.
They have no speech, they use no words;
no sound is heard from them.
Yet their voice goes out into all the earth,
their words to the ends of the world.
In the heavens God has pitched a tent for the sun.
It is like a bridegroom coming out of his chamber,
like a champion rejoicing to run his course.
It rises at one end of the heavens
and makes its circuit to the other;
nothing is deprived of its warmth.

The law of the Lord is perfect,
refreshing the soul.
The statutes of the Lord are trustworthy,
making wise the simple.
The precepts of the Lord are right,
giving joy to the heart.
The commands of the Lord are radiant,
giving light to the eyes.
The fear of the Lord is pure,
enduring forever.
The decrees of the Lord are firm,
and all of them are righteous.
They are more precious than gold,
than much pure gold;
they are sweeter than honey,
than honey from the honeycomb.
By them your servant is warned;
in keeping them there is great reward.

***But who can discern their own errors?
Forgive my hidden faults.
Keep your servant also from willful sins;
may they not rule over me.
Then I will be blameless,
innocent of great transgression.
May these words of my mouth and this meditation
of my heart be pleasing in your sight,
Lord, my Rock and my Redeemer.***

Prayer Requests

- ***Our Youth**, and especially for our graduates
- ***Christians** who are overwhelmed and discouraged
- ***Loved ones** of those on this prayer list who also suffer alongside
- ***Our eyes to be open to see needs: our hearts to respond**
- ***Christians who are being persecuted for their faith**
- ***Service to others:** Show me what can I do. Show me what can I ask others to join me in doing.
- ***Doug Bell**, the John's son-in-law, recovering from surgery
- ***Judy Brazell's** first chemo treatment had some good results. The two spots on her liver have disappeared - thanks to God. Her first treatment gave her sores in her mouth and made her miserable, but she was able to work some anyway. *-Lorene*
- ***Doris Eagleman** is recovering at home.
- ***Heide Vaughan**, Brad's sister-in-law, learned that her cancer has returned. She has been doing really, really well and the cancer's return has been a real shock to everyone. Please pray for Heide especially, and for the entire family.
- ***Judy Lafond** is awaiting results from her kidney biopsy on the 15th.
- ***Susan**, DeeDee's good friend, has finished her prescribed chemo and radiation treatments. She is very ill from them and is now in a period of recovery. She is waiting for tests to re-evaluate the cancer after the radiation-caused damage heals (several months).
- ***Shepherd and Ruht** ask that we pray about drought in Zambia: for mercy, rains, and calmness as people prepare for distress.
- *Those reached by **Operation Ecuador** and **EEM** who face extreme political unrest and danger.
- ***African Christian College:** their graduates who are willingly and sacrificially going into areas of extreme unrest, their new incoming class, and for the increased financial challenges they face.
- ***Our nation** - that we would choose to submit to God and His will.

Pray. Always pray.
